BATHE

Energise your guest rooms with the Essentiel Elements BATHE collection. BATHE evokes a modern apothecary, while providing graphic punch and a dynamic colour palette. And, that's all before your guests even open the bottle. We collaborated with master perfumers to capture the collection's distinctive spirit and essence.

FORMULATION

Grapeseed Oil is an emollient, restoring moisture to hair without weighing down and nurturing the skin's moisture barrier.

Ginkgo Biloba is known to soothe a dry scalp, promoting stronger hair and contains antioxidants to clarify, brighten and soothe skin.

Vitamin C has antioxidant properties known to help strengthen hair and brighten skin. Lemon promotes healthy and silky hair and smooth skin with elements of vitamin C.
