## *FERRAGAMO ESSENCE*

Salvatore Ferragamo is one of the most renowned global luxury fashion and beauty brands today.

Named after its founder, the brand still represents and lives by the original values of Salvatore Ferragamo.

Luxury, sophisticated elegance and style, creativity, and innovation in combination with the highest quality materials and a dedication to outstanding craftsmanship, are at the heart of each Ferragamo product.

Ferragamo is dedicated to meeting the highest quality standards since its origin in 1927. The brands' dedication to craftsmanship, striking a perfect balance between tradition and modernity, and innovation, are represented by the 'Made in Italy' quality seal.

## AMENITIES COLLECTION

# AMENITIES COLLECTION

---

The Ferragamo Amenities Collection takes us on an olfactive journey through Tuscany.

With ingredients that tell the story of the region, the brand created authentic memorable fragrances that are at the heart of the line.

The formulas express the perfect balance between innovation, modernity and tradition that the brand is known for.

Convivio captures the magnificent, warm soul of Tuscany.

A region where life is all about extraordinary moments of hospitality, sharing and gioia di vivere.... a sunlit place, made even brighter by genuine smiles.

## CONVIVIO COLLECTION

The Convivio amenity range is designed for prestigious hotels and resorts.

This line celebrates Italian tradition with fragrances inspired by the "dolce vita" and features an elegant, sustainable design.

Products include shampoos, body washes, conditioners, lotions and soaps, all characterized by refined scents like grapefruit, cypress, and jasmine.

## CONVIVIO Dispenser

The new Ferragamo dispenser represents a perfect balance between sustainability and elegance.

Made from 100% recycled PET, it offers an innovative solution for those who want to combine style with ecological responsibility in an era where respect for the environment is a fundamental value.

The iconic shape, inspired by Ferragamo's distinctive design, gives the bottle a unique and recognizable identity, making it a refined object.

A surprising feature is its flashlight-visible transparency—a fascinating and unexpected detail that enhances functionality for professionals without compromising aesthetic refinement.

By combining elegance with environmental care, this bottle is more than just a product; it's a statement of style and responsibility.

## PACKAGING

In 2019, we made a pivotal decision to transition from virgin plastic to 100% post-consumer recycled and recyclable materials for our bottles and caps (PET & PP).

This conscious choice has enabled us to save over 300 tons of virgin plastics in just three years, underscoring our dedication to environmental responsibility.
