## LONDON COLLECTION®

Sophistication and style are inspired by the strong architecture of major cities in the world. The London Collection encapsulates a complete package of understated elegance; crisp, clean and tailored to fit the needs of today's genteel traveller.

Antioxidant-rich botanicals of red tea, soy, ginkgo biloba, grape seed and milk thistle, renowned for their beneficial attributes, combine in a dynamic blend to restore and revive.

# FRAGRANCE

The fragrance utilises top notes of fresh mandarin with a heart of exotic gardenia and mysterious, rich, musky amber to close.

# FORMULATION

Milk Thistle is said to help skin look firmer and reduce the appearance of wrinkles.

Grapeseed Oil is moisturising and contains omega-3 and omega-6 fatty acids that nurture skin's moisture barrier.

Rooibos Extract is considered a natural cleanser and antioxidant for the skin that may protect skin against free radicals. It is also soothing and clarifying for the hair & scalp.

Ginkgo Biloba, a historically powerful ingredient, clarifies and brightens skin and scalp.
