## The New Standard Charges it All

### Powerful Features

We designed Station P from the ground up to deliver convenient nightstand charging for guests' phones, laptops and mobile devices with the latest USB-C and Qi wireless charging standards adopted by Apple and Android devices making it a future proof investment for your rooms. Combined with universal USB charging and two traditional power sockets, Station P is the most complete nightstand charging station available.

### Product Codes:

UK Plug 0047720 / 10 per case

EU Plug 0047721 / 10 per case

## Decor-Inspired Design Details

### Stays in Place

Micro-suction base holds Station P in place on the nightstand or desk without adhesive or screws- simply press it down to set in place.

When users are plugging in devices, Station P won't move around either. It stays put for hassle free one handed plugging and unplugging.

### Fabric Bed

Fabric covered charging pad is soft surface for phones and complements room decor.

### Woven Cord

Attractive fabric woven power cord exits nicely from the back and lays neatly in place.

Qi Certified Fast Wireless charging 10W
